Stephanie Browe & Brendon Casson Awards

Every year, the Southwest Pacific Speed League presents awards to our most inspirational skaters in the names of Stephanie Browe and Brendon Casson. These awards are to be given to the skaters who exhibit the qualities of sportsmanship, humility, and kindness, on and off the skating floor. These skaters should be good examples to others, whether in overcoming hardships and adversity, or just in interacting with everyone around them. They should show respect to all, including competitors, coaches, referees, and spectators, and exhibit grace regardless of outcome.

Nominations for these awards can be made by coaches (one male and one female per coach), though not necessarily from their own team. Nominees shall be voted on by the coaching body, as well as A-commissioned referees.

All nominees will be introduced at the awards ceremony, giving honor to all nominees as well as the recipients. Recipients shall be ineligible for these awards for a period of two years after receipt of these awards.
